## Trio's Competition

# RULES

- Teams will consist of three players.
- The competition will consist of a knock-out competition, the number of rounds will be dependent upon the total number of teams. The teams will be drawn at random, with an appropriate number of "byes" for the first round.
- Matches will consist of one innings per team. Each innings will consist of four overs.
- When fielding, one team member will be wicket-keeper. The other two players will bowl two overs each.
- Three spare players will provide additional fielders.
- When batting, each batsman will be required to retire on reaching 25.
- When two batsmen are out (or have retired), the last batsmen will continue. The previous batsman will remain in to run for the last batsman, but will not bat.
- On the fall of another wicket, the innings will close.
- Normal cricket rules apply, except wides and no-balls count two with no additional balls (except in the last over of the innings, when an additional ball will also be bowled).
